

INSTALLATION AMPLIFIERS

MDi Series is the newest solution from W&dB by RAM Audio for fixed installations, where state-of-the-art amplification technology has been used to manage acoustic systems in the most efficient and greenest way possible, without diminishing quality of sound and dynamics.

TECHNICAL DATA	MDi4-2K
Output Power 4 ohm	4 x 610W
Output Power 8 ohm	4 x 350W
Bridge 8 ohm	2 x 1220W
Weight	5 Kg - 11Lb

TECHNICAL DATA	MDi4-6K
Output Power 4 ohm	4 x 1500W
Output Power 8 ohm	4 x 800W
Weight	5 Kg - 11Lb

TECHNICAL DATA	MDi4-12K
Output Power 2 ohm	4 x 3000W
Output Power 4 ohm	4 x 1500W
Weight	6 Kg - 13.2 Lb
